**DID YOU KNOW?**

**youth services**

**More than 2,000 youth in the Tulsa area are homeless.**

You can join our efforts to end youth homelessness by donating new or gently-used essentials for our Street Outreach and Transitional Living Programs.

**Help a homeless youth get back on their feet.**

Your gift of season-appropriate clothing, shoes, and hygiene items help them cope with life on the streets. Outdoor gear like tents and sleeping bags help them weather the elements.

**Clothing should be adult sizes in teen and young adult styles.**

**Help YST house a homeless youth.**

Your gently-used furniture and home goods will find a second life in a homeless youth's first apartment.

**Smaller furniture pieces are best for our studio size apartments.**
