**DID YOU
KNOW?**

**youth
services**

More than 2,500 youth in the Tulsa area are experiencing homelessness.
You can join our efforts to end youth homelessness by donating new or gently-used essentials for our Street Outreach and Housing Programs.

Help a youth experiencing homelessness get back on their feet.

Your gift of season-appropriate clothing, shoes, and hygiene items help youth cope with life on the streets. Outdoor gear like tents and sleeping bags help them weather the elements.

Clothing should be adult sizes in teen and young adult styles.

Help YST furnish a youth's 1st apartment.

Your gently-used furniture and kitchen goods will find a second life in the apartment of a youth exiting homelessness.

Smaller furniture pieces are best for our studio size apartments.

Looking for a meaningful project for your business, church, family, or social group?

Groups can help by donating money or time, or by organizing collection drives for things like new socks and underwear, hats, gloves, or welcome home baskets for youth moving into their first apartment.

Contact Caroline for info:
colsen@yst.org / 918.382.3461

Thank you for caring for our community's most vulnerable young people!
